Forward-Looking Statements

This press release contains "forward-looking statements" within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended, which statements are subject to considerable risks and uncertainties. Forward-looking statements include all statements that are not statements of historical fact contained in this press release, and can be identified by words such as "anticipates," "believes," "seeks," "estimates," "expects," "intends," "may," "plans," "potential," "predicts," "projects," "should," "could," "will," "would," or similar expressions and the negatives of those expressions. In particular, forward-looking statements contained in this press release relate to the Company's future or assumed revenues and weighted-average outstanding shares, as well as its future growth and success.

Forward-looking statements represent AppFolio's current beliefs and assumptions based on information currently available. Forward-looking statements involve numerous known and unknown risks, uncertainties and other factors that may cause the Company's actual results, performance or achievements to be materially different from any future results, performance or achievements expressed or implied by the forward-looking statements. Some of the risks and uncertainties that may cause the Company's actual results to materially differ from those expressed or implied by these forward-looking statements are described in the section entitled "Risk Factors" in AppFolio's Annual Report on Form 10-K for the year ended December 31, 2019, which will be filed with the SEC on March 2, 2020, as well as in the Company's other filings with the SEC. You should read this press release with the understanding that the Company's actual future results may be materially different from the results expressed or implied by these forward looking statements.

Except as required by applicable law or the rules of the NASDAQ Global Market, AppFolio assumes no obligation to update any forward-looking statements publicly, or to update the reasons actual results could differ materially from those anticipated in these forward-looking statements, even if new information becomes available in the future.
